Kitchen & Bathroom Designer

- Start your career as a Kitchen and Bathroom designer and sales representative
- Be a part of a rapidly growing business
- Design qualification & Auto CAD Skills highly regarded
- Opportunities to travel interstate and globally to major design events
- Training provided

Our Company

Exclusiv Kitchens and Bathrooms is a family business of 13 years who design mid to top end kitchens, bathrooms, laundries and more. We use locally sourced materials and trades, as it is important to us to support our local community. Exclusiv Kitchen and Bathrooms have a reputation for its no-pressure sales environment. We instil this in all our employees and you'll find we have a relaxed working environment.

Due to our continued and planned company growth, we are looking for an energetic, positive person that is looking to take their first steps in the design industry. We will provide dedicated in-house training, external product training and ongoing mentoring. Our showroom is in Gaythorne, so living in Brisbane North is a distinct advantage for this position.

Your Role

- Client consulting, on site and in the showroom
- Working with industry leading design software
- Delivering a solution to our clients' needs
- Designing, preparing quotations and sales presentations
- Showroom consultant

Why apply

If you have a flair for the design industry and like working under relaxed yet exciting circumstances this job may be the one for you. Display your interest by applying to our email below.

How to apply
